Dear Committee Members:

Due to a miscommunication at our office, we missed the hearing on Rep. Rick Ripley's, HJ 16, urging recodification of Title 87. Our office wishes to express our support for this bill. Title 87 is very difficult to read, understand, and prosecute. Our office would be willing to be involved in a working group on this issue. We have a prosecutor on staff who regularly prosecutes cases under Title 87 and could and gladly would provide any assistance necessary.

Sincerely,

Pamela D. Bucy
Assistant Attorney General
